We are pleased to be awarded by the Multicultural Top Choice Award 2007, Mark of Excellence, for the most outstanding daycare services in the Russian Community. It is also a tremendous reward for our hard working teachers and staff. The directors of Kids Island Daycare Centre would like to thank everyone who took their time to participate in the surveys, and who decided to elect us as the leading Daycare. We appreciate your trust and respect.

Kids Island Daycare Centre has become a government licensed daycare on December 08, 2006. Corresponding to the slogan that "Every child is a little genius", Kids Island provides the most professional educators for the kids. Not only are the teachers exceptional in their duties, but the children acquire the complete knowledge they need during their window of opportunity. All children are assigned to one of the five large and bright classrooms. Every day is filled with interesting and collaborative activities as well the kids practice extra-curricular activities that include French, English, Russian, Math, Ballet and Dance, Music and Speech Therapist services. Since our centre is multilingual, starting with toddlers and ranging to pre-schoolers, children get to experience three languages at once!
